AL jawad highschool
2019 - 2021

SKILLS

- HTML
- CSS
- JAVASCRIPT
- CHESS
- C
- C#
- PHOTOSHOP
- TABLE TENNIS

EXPERIENCE

WEB DEVELOPER

july 2023 - october 2023 | [Web pages designer](#)

After gaining some experience, I took on an internship as a **Jr. Web Developer** at [DR mediaCode](#) in July 2023. DR mediaCode serves its clients globally, with a particular focus on the Middle East. During my internship, I was immersed in a dynamic environment where I learned to develop high-quality software solutions. DR mediaCode's main objective is to assist clients in achieving their critical IT goals, and during my time there, I contributed to this mission by working on various web development projects. This internship provided me with valuable hands-on experience and enhanced my skills in web development.

PHOTOSHOP_SERVICES

Dec 2023 - Present | Engineering Degree at ULFG

While pursuing my engineering degree at ULFG, I am gaining experience in Photoshop services. I am currently employed at Target, where I'm developing my skills in Photoshop services. Target is a renowned company known for its high-quality products and services.

CERTIFICATES

Web Developer - 2023

I had done detailed course with certification under IEEE supervision and got my degree last year

Photoshop - June 2023

I acquired my Photoshop certificate through private classes that I enrolled in to enhance my skills. These classes were an important part of my learning journey, where I delved into various aspects of Photoshop, from basic editing techniques to advanced features. With hands-on practice and personalized guidance, I gained proficiency in utilizing Photoshop tools effectively. This certificate stands as a testament to my dedication and passion for mastering graphic design skills.
